

The Architecture of Use: Aesthetics and Function in Architectural Design

By Grabow, Stephen; Spreckelmeyer, Kent

Routledge, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: 'A timely elucidation of the poetics of use as the fundamental ground on which any architecture of lasting value must be built. The ten works examined exemplify the fusion of the practical and the poetic, remove our focus from exterior form to the inhabited space within, and reveal that a building's most important use is to enrich our experience and enhance the life that takes place in it.' - Robert McCarter, Ruth and Norman Moore Professor of Architecture, Washington University in St. Louis, US 'In this provocative and well-documented book, Grabow and Spreckelmeyer argue that conventional definitions of functionalism should be expanded, thus enriching our appreciation of significant works of modern architecture.' - David G. De Long, Professor Emeritus of Architecture, University of Pennsylvania 'Compelling in its arguments and clear in its exposition, this book resituates the concept of use at the center of architectural theory and practice where it belongs. Through discussions of literary texts, paintings, music, and cultural history, we see how the art of building can not only accommodate the patterns of our lives but give them legible and beautiful expression.'...
