Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

(Rebecca Bechtelar)

Grijalbo, Mexico, 2015. Paperback. Book Condition: New. 228 x 146 mm. Language: Spanish . Brand New Book. Una historia de gringos y mexicanos que resume la de toda la especie humana y su mentalidad. Un relato de Mexico y Estados Unidos que nos lleva a la comprension de nuestra identidad y la de todas las culturas, un analisis historico que nos libera del lastre del pasado. Por que los gringos tienen mayor exito economico que nosotros? Por que son superpotencia mientras nosotros no salimos del subdesarrollo? Por que son superheroes y nosotros victimas? La tirania de las ideas es una guia para la liberacion de la mente con la historia como mapa, gringos y mexicanos como pretexto, y un Dios muy extraño como personaje principal que nos invita a salir del laberinto de las estructuras. De Tenochtitlan a Washington, de la Reforma protestante al sueño americano, este libro nos lleva por 500 años de historia para entender a gringos y mexicanos, con ellos a toda la humanidad, y así, al más misterioso de sus especímenes: nosotros mismos. Eso y más nos ofrece el libro más extraño y enigmático de Juan Miguel Zunzunegui. Una visión mística de la historia, o un libro de misticismo con la historia como pretexto? En cualquier caso, La tirania de las ideas es una obra para entenderlo todo. English Description Why do Americans have more economic success than Mexicans? Why are they a superpower while Mexico can't seem to rise out of poverty? The Tyranny of Ideas is a guide for freeing your mind, with history as a map, Americans and Mexicans as a pretext, and a very strange God as the main character, who invites us to leave the labyrinth of the systems.
