paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 916 Publisher: Science Pub. Date :2011-10-01 version 1. Runsheng Collection (Set 2 Volumes) to collect and collate the Professor Liu Runsheng (and their partners) from the 1980s to 2010 published some important papers had more than 120 articles. published in the original papers on the life of the main line into the next two. classified by topic. These papers are Professor Liu Runsheng long-standing research and teaching in the first line of the research results of the crystal. These papers can be seen from the wisdom of Professor Liu Runsheng. innovative spirit and a keen grasp of new technologies. you can also see his enterprising spirit and rigor. but also can be seen that Professor Liu Runsheng development of China's electronics technology to make an important contribution. Runsheng Collection (Set 2 Volumes) as institutions of higher education information technology and microelectronics professional reference books and students. but also for related fields of study to learn technical reference. Contents: Editor's Note (Vol.1) bipolar transistor integrated circuit design within the node. the algorithm eliminates the need for micro-electronic circuit analysis computer program stochastic approximation theory in the central value of the optimal design of electronic circuits in the application of bipolar transistor parameters Automatic extraction of statistical measurement and optimization of circuit design problems and solving methods CMOS op-amp unit block structure Yield Simulation and ptimization: for Electronic: Circuits passing rate of the electronic circuit simulation and optimization of statistical circuit analysis a practical approach to optimize a general circuit performance bipolar transistor package design parameters of statistical distribution of the DC model study Subspace-Based Approach for Circuit Simulation circuit simulation based on subspace method A New Yield Optimization...
