

# Integrative Chiropractic Management of High Blood Pressure and Chronic Hypertension: Updated and Expanded Second Edition

By Dr Alex Vasquez

Createspace, United States, 2011. Paperback. Book Condition: New. Updated, Expanded. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Previously updated and expanded in 2011, this Second Edition clinically-oriented monograph explores and substantiates the following three positions in the ensuing discussion of hypertension in particular and true health and wellness promotion in general. [1] The chiropractic profession should play a major role in the clinical management of chronic hypertension. At present, chiropractic care of the hypertensive patient is marginalized to an alternative and complementary role. The medical profession has taken a leadership position on the management of hypertension based on a wealth of drug research and the establishment of evidence-based clinical protocols and professional standards of care. In contrast, the chiropractic profession, although it has within its scope of practice the most effective treatments for hypertension, has not-until now-had a cohesive evidence-based guide for the clinical management of the hypertensive patient. This monograph serves to fill that void by providing chiropractic clinicians with 1) an overview of the disease, 2) its differential diagnoses and assessment (including: history, physical examination, laboratory and imaging), and 3) clear evidence-based treatment protocols and interventional options. [2] Drug management of...
