Text and Discourse - Gender and Speech

By Marco Kaiser

GRIN Verlag Okt 2007, 2007. sonst. Bücher. Book Condition: Neu. 213x145x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Speech Science / Linguistics, grade: 2, University of Constance, 8 entries in the bibliography, language: English, abstract: George Orwell wrote in his essay Politics and the English language in the year 1946: Let meaning choose the word and not the other way around . Every day people participate in conversations. There are conversations between men, between women and between men and women. If we consider that people we look at have a difference in gender, social class, age, race, nationality, profession and religion, it will be easy to see the differences. They are obviously visible. But I will restrict this work. I look at people of the same language, which means people within the same cultural background, more like a homogenous society or let's call it even tighter a community. In this case I could assume that there are no communicational problems. Even if there are some differences in education, a person who talks to another person can expect that he or she will be understood....
