Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FENG SHUI SIMPLY: CHANGE YOUR LIFE FROM THE INSIDE OUT

Hay House Insights. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 7.9in. x 5.0in. x 0.9in. In Feng Shui Simply, Cheryl Grace digs deep into the principles of feng shui to present an exciting new view of this age-old concept and shows that feng shui isn't just about rearranging your furniture or painting your walls; it goes much deeper. She opens your eyes to how feng shui can be used to balance the energy of every part of your life both in your external and internal environments. Grace shows that bringing your focus to both of these worlds is a powerful way to design the life you're meant to live. In these pages, Grace takes you on a journey to design your living spaces using the classic Bagua mapa chart separating physical spaces into nine areas, each representing a different aspect of life, such as wealth, family, and career. But perhaps more importantly, she goes one step further, teaching you the inner work of feng shui using her own Inner Wisdom Bagua map, which correlates the characteristics, beliefs, and attitudes that will help you flourish in each area of your life. Sharing anecdotes from her own experience switching careers from an ESPN executive to a feng shui consultant, as well as her clients' success stories, Grace walks you through each area of the standard and Inner Wisdom Bagua maps to create unique solutions for your life. She teaches you to harness the power of your intuition to determine what's true and important for you. And she offers practical tools based on concepts such as Yin and Yang, the Five Elements, and the Magical Day, to help you figure out which enhancements will be the most effective in transforming your life. By celebrating key principles like universal gratitude, a positive outlook, and...
