

## Maturing in the Spirit of Truth: Truths That Some Ministers Will Not Preach or Teach

By Keith Barber

WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book exposes some of the lies that have been told to us from across God's pulpit for centuries by some pastors, ministers, and parents. The book also focuses on some truths that they won't preach because they think it will blow the financial doors off the church and put them out of business. It's just like the Pharisees thought about what Jesus was preaching. Although the teachings seemed to be light, it has kept a lot of us in darkness for a long time. It's time now for us to stop drinking milk and to eat some meat. Most of us professed Christians have no clue of who we really are in God or have no real idea of how to be the person that God says in His word that we can be. So let's grow and mature together into the perfection that God has said we can be and are called to be.
