He instantly forms a bond with Tanner, the firefighter who brings emotions out of him that have been suppressed too long. Against his better judgment, Tanner invites Skye in, finds his beauty and charm irresistible, leaving himself hopelessly committed to more than giving Skye a temporary place to stay. As Skye finds himself increasingly drawn to Tanner, the connection he has with him turns into a journey of self-discovery. Through trifling phobias that have overshadowed him, Skye begins to wonder if his reservations of starting a relationship will tear them apart. Tanner stirs desires in Skye and the heat between them can't be ignored. Will Skye's sheltered past weigh heavily on him and put a meaningful future with Tanner at risk? Will the sparks they have live on or go out because of it?.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
