Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Willy has come to a crossroads in his life. Widowed two years before, a life-long, repressed fantasy about crossing the color line and having a sexual encounter with a white woman is what drives him. Frustrated by attempts to accomplish his goal in traditional ways, Willy creates a profile on a swingers site. Sometimes, as the song goes, when you cant get what you want. . , you get what you need. Willy gets both when a white couple invites him to call. As the author, I hope that my readers will enjoy the subtle humor involved when someone reaches out to experience a dream. How do we really know what we want until we get it This item ships from La Vergne, TN. Paperback.
