Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

HOW PEACE CAME TO THE WORLD

MIT Press Ltd, United States, 1987. Paperback. Book Condition: New. New edition. 193 x 127 mm. Language: English . Brand New Book. Nothing threatens us today more than the 50,000 nuclear warheads that stand in a state of near readiness around the globe. Yet in the year 2010 the world is at peace and the threat of nuclear devastation has vanished. How did this come about? Through the imaginative ideas of forty men and women - lawyers, doctors, professors, conflict research specialists - we see a wide variety of scenarios explaining how the world learned to prevent warfare. Writing from the United States, Switzerland, Austria, and West Germany, the authors of these essays show that even in an imperfect world of practical politics, there are many paths to peace. They provide a wealth of original yet workable approaches to peace that are as varied as the people who long for it. How can these amateurs fix up the world? By not accepting that war is inevitable, by forcing their leaders to take bold steps, and by becoming an informed citizenship. Their peace scenarios are grouped into several main approaches - awakening through disaster, playing the superpower game, flanking the superpowers, improving the machinery of peace, changes of consciousness, action groups, and citizen exchanges. Most essays tackle the Soviet-American rivalry first, while others emphasize acts by nonsuperpowers. Some assign bold leadership roles to individuals like Congressman Jack Kemp and Secretary of Transportation Elizabeth Dole, or call for a change in consciousness about who is the enemy. Ronald Reagan makes an irresistible vehicle for surprise peace initiatives. Others use existing institutions, such as the Department of Defense, the League of Women Voters, or the United Nations, in strategies leading to peace. Richard D. Lamm, Governor of Colorado, describes a nuclear exchange between India and Pakistan as the...
