CHANGING OF THE SEASONS AND REFLECTIONS OF NATURE

Publish America, United States, 2005. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Changing of the Seasons and Reflections of Nature is filled with something for everyone. There is a wide variety of poems throughout this book. There are a few poems that are longer than others. I write about what I see around me at the time. I have been trying my hand with a wide range of different styles. Not all poetry contained within this book is what I see. I just come up with a thought and write it down on paper. I enjoy nature. The sights, the sounds, the smells. There are a lot of poems in this book that contain humor. I have won awards on a poetry site for many of these poems. I hope everyone gets the chance to experience the nature I have throughout this book in an entirely different way. I combined both sides of nature. A little humor, added with a little beauty.
